Must Make Room for Spring Shoes Arriving Every Day

The time has arrived for our annual sale. This is the store that has served you with shoes, the kind you can bank on, for six years. Others come and go. Our policy has always been **HONEST VALUES**. We do not buy up a bunch of cheap junk to put on a sale, but you

have your choice from our regular stock at reduced prices. Heavy rubbers and arctics at almost your own prices with an absolute guarantee, the same as if you paid regular prices.

Think of buying such shoes as the Bostonian, Dr. Reed's, J. & K., Sherwood, and Herold-Bertsch, and Hard Pan, at a discount of 10 per cent. Many styles in the new spring shoes are here. Think of being allowed a liberal discount on them.
